Executive Director's Christmas Message

On behalf of the Board of Directors and staff at NEIA, I wish you a wonderful Christmas and I hope that 2011 brings health and joy to you and your loved ones. We all hope that in some way we contribute and make a difference to the world we live in. We often think that contribution must take the form of a great initiative. In reality, it comes from repeated acts of kindness and a willingness to put another's needs above our own.

To our members, partners, clients and volunteers, a big THANK YOU for contributing to our success in 2010. Merry Christmas!

Linda Bartlett
